

PHE Canada Research Council
EDI Scholarship Application
Self-identification Questionnaire

How will my self-identification data be used?

The self-identification data will only be used to determine eligibility for the scholarship. This information will be strictly limited to members of the adjudication panel. The Research Council Executive will work with the recipient to create an announcement of the scholarship.

This questionnaire for self-identification does not include every important diversity dimension, these dimensions cover aspects of identity that are generally recognized as being impacted by bias and discrimination in the postsecondary research sector.

Name: _____
